Walterians to Take Part in Cancer Show

By BETTY MITCHELL, Davenport 6-4488. The American Cancer Society is sponsoring a recital benefit to be held at the Civic Auditorium in Torrance on the corner of 7th Prado and Cravens on Monday evening, Aug. 31. The show will run from 8 to 10 p.m.

Darlene and her pupils from Walteria are the participants in the entertainment. Donations of 50 cents. Might be an enjoyable way for some of us to spend a Monday evening, don't you think?

Invitations are out for the stop, they stopped. Sounds wonderful. While gone they stopped a day in San Miguel, Calif., where Rev. Bowling and his lovely wife were visited. Many of us who knew the Bowlings when they were here to serve the Walteria Methodist Church, will be happy to know they will be happy and very busy at work in this new church location at San Miguel.

Mr. and Mrs. William Burgenor of Neece Ave. are back from a pleasant vacation trip during which they took a leisurely drive up through the Redwoods to Eureka and Redding and then back home. All the intriguing side roads they wanted to see were seen, and all the places where they wanted to stop, they stopped. Sounds wonderful. More Neece Ave. residents who are back from a vacation are Mr. and Mrs. Ivan Kettering. The Ketterings spent over two months in Oregon with relatives on an extended vacation. Unfortunately, the whole time away was not spent pleasantly, since Mrs. Kettering underwent spine surgery while there.

Folks, don't forget the big community picnic this Saturday at the Recreation Park. This picnic is sponsored by the Walteria Business Men's Club and is bound to be a lot of fun for young and old. Bicycles, properly decorated by their young masters or mistresses, will be entered in a contest for the best job, and plenty of seats will be available for those who did not pack their own lunches. Hot dogs, pop, ice cream and watermelon will all be there. A square dance with Gerald Reeser doing the calls will top off what should be a whopper of an afternoon. See you there!

Quite a crowd saw the play given at the partly finished Community Methodist Church sanctuary on Newton St. last Friday evening. The play, "Boy with a Cart," was highly enjoyed and a very refreshing performance. Hope those of you who missed it will be able to see it some time in the future.

We are indeed sorry to hear of the trouble which is visiting the Robert Smith home on Crickwood St. Seems little Charles has already had to lose his right eye from a tumor operation. Only time will tell if the tot will be able to recover. At any rate, we all have our fingers crossed for him and his family.

Mrs. Dorothea O'Brien of Hawthorne Blvd. attended the board meeting and luncheon of the American Cancer Society which was held on Aug. 10 at the residence on Los Odona Ave. Dorothea is our Walteria chairman and attended to learn of new plans for the coming year.

"Outdoor Living," so stressed in modern magazines, was given a whirl at the Robert Cramer residence on Los Odona Ave. when the whole family got together last Sunday for a charcoal broiled steak dinner in the patio. The steak was accompanied by baked potatoes and corn on the cob, both of which were buried in the coals and roasted.

A birthday dinner for William Mitchell of Danaha St. was held at his home last Sunday, in the report was fried rabbit and all the fixings. The cake was decorated in nautical style in white and blue. Watching the honoree open his gifts were Mrs. Margaret Dowd, Mrs. Helen Ziemer, Mrs. Anna Aitken, Mrs. Rae Knox and children Candy, Alex, and Lawrence; Mr. Lawrence Ziemer and, of course, spouse Betty.

The General WSCS held a business meeting and picnic luncheon at the park recently. The business meeting began at 10 o'clock in the morning, and was followed by the luncheon at noon. Smalls, try, and all enjoyed the gathering.

Mrs. Paul Bowen of Danaha St. is spending three days this week in Redlands, where she is attending a Methodist Conference and training school. She was the only one to go from Walteria, although she will be in the company of several friends from Torrance and Lakewood. While she is gone, her daughter Janis is staying in Long Beach with grandmas, while daughter Sandra is visiting a pal in Lakewood.

This has been a busy summer for Scout leaders in our community. Mr. and Mrs. Robert Wagner of Winlock Dr. have been busy escorting Scouts to Big Bear Lake Village, where with Mrs. D. Menger they took a group of Girl Scouts for a happy week at the R. Busch home. After a busy time which included hiking, miniature golf, etc., they returned on a Sunday evening. Not that this was all that the summer held for Mr. Wagner. Seems that a week before that he had taken his Boy Scout Troop No. 240 on a camping trip to Lake Arrowhead. Hats off to this busy and brave man who is out to prove that boys can have a lot of fun when they are Scouts.

A busy year is ahead for the Walteria PTA and already plans are being made for the organization under the direction of their president, Mrs. Georgia Cramer. Dr. Vernon Sivbich, the new principal of our school, was introduced at the last meeting held by the board at the Newton St. home of Mrs. Henry Fink. Plans started for the annual teachers' luncheon given each year by the PTA to welcome and introduce new teachers, and to welcome back the old. Believe it or not, the Halloween Carnival is also being started already, with both lunch already having been obtained for same. Sounds like they really have a running start on this year's activities. Following their business meeting the group awarded D. Boone Kirk, the former principal of our school, a portfolio in remembrance of his many years of service here in the community.
